The Green Building Focus Group of the California Building Standards Commission and the Department of Housing and Community Development is being convened to assist the agencies with the development of voluntary green building standards for state buildings and homes within their respective authorities. The standards are to be drafted by the time the 2007 Code Adoption Cycle begins on September 28, 2007.

The Group will meet for introductions and discussion of anticipated Group goals and scheduling of additional meetings. An informal agenda follows.

**Item:**

1. Greetings and self-introductions
  2. Identification and discussion of Group goals and roles
  3. Proposed strategies for meeting goals timely
  4. Tentative schedule of future meetings to review proposed standards
  5. Other matters not listed above
